Happy International Women's Day

LPA lives and promotes #BalanceforBetter. Do you?

Friday 8 March is **International Women's Day** where people all over the world celebrate the social, economic, cultural and political achievements of women. LPA celebrates the accomplishments of all the amazing women in our industry.

This year's theme is centred around #BalanceforBetter creating a gender-balanced world where women have equal rights.

The message of International Women's Day continues all year round. LPA is strongly committed to promoting and supporting its Members in building safe, respectful and flexible gender-balanced workplaces and we have created a **Code of Practice on Preventing Workplace Discrimination, Harassment, Sexual Harassment and Bullying** - click [here](#).

Let's build a gender-balanced world together. Collectively we all play a part.
