Overview

This Guide provides our Members with detailed information on how to apply for a Temporary Activity visa (subclass 408) Entertainment Activities and how we assist in the process.

Who needs a 408 visa?

Anyone wishing to enter Australia to work in the entertainment industry on film, television or live productions as a performer, musician, creative (e.g. Director, Choreographer, Writer) or production/support staff must apply for a Temporary Activity visa (Subclass 408) under the Entertainment Activities stream (408 visa).

An Applicant may apply for a 408 visa under the following categories:

- Performing in a film or television production subsidised by government or not subsidised by government
- Performing other than in film or television i.e. live performance
- Working in a production role
- Working as support staff for an entertainer/group of entertainers
- Working as a performer or support staff for a not-for-profit engagement
- Working on a documentary or commercial for an overseas market

The 408 visa is a multiple entry visa. Applicants can enter Australia on multiple occasions while their visa is valid.

Does it cover family members?

Accompanying family members can also be included in a 408 visa application.

How long is it valid for?

The Department of Home Affairs (Department) bases the length of an Applicant's visa on the activity that they will be participating in.

The maximum stay for this visa is 2 years.

What does it cost?

The visa costs **\$415 (including GST)** per Applicant.

There is also a charge for each accompanying family member. You may also have to pay additional costs for health checks, police certificates and biometrics.

Concessions and fee waivers

You may be eligible to have your visa fee waived if you are a registered charity with the Australian Charities and Not-for-profits Commission, foreign government agency, embassy, consulate or a state, territory or commonwealth government agency. The Department may also offer a concession, if you will be undertaking a government-funded event or are an organisation specified by the minister in a legislative instrument. LPA will let you know if this is the case before you lodge your application. Contact LPA for further information.

Application process

How do I apply for a 408 visa?

All applications are lodged through an Immi Account on the Department's website. As an authorised recipient, we can lodge your application/s on your behalf.

You will need to:

1. Set up an Immi Account and email your log in details to LPA (see appendix for a [step-by-step guide](#).)
2. Input all relevant information in relation to your application/s into your Immi Account
3. Gather all relevant documentation (**see list below**)
4. Send all relevant documentation to LPA to check and attach to your application/s, including the Letter of Authorisation (**see list below**)

LPA will then review and process your application/s by:

- Consulting with the relevant union (MEAA or Musicians Union)
- Reviewing your completed application/s on your Immi Account
- Checking and attaching all relevant documents such as associated contracts to ensure that Australian minimum terms and conditions of employment are met
- Lodging and paying for application/s on your behalf using your credit card as details provided
- Corresponding with the Department on your behalf where needed including preparing submissions and responding to requests for further information.

Timeframes

How long does it take for LPA to process an application?

- For citizens of countries eligible for ETA (Electronic Travel Authority): **6 weeks**
- For citizens of other countries: **10 weeks**

Countries eligible for ETA (also referred to as low risk countries):

Andorra	Austria	Belgium
Brunei	Canada	Denmark
Finland	France	Germany
Greece	Hong Kong (SAR of China)	Iceland
Ireland	Italy	Japan
Liechtenstein	Luxembourg	Malaysia
Malta	Monaco	Norway
Portugal	Republic of San Marino	Singapore
South Korea	Spain	Sweden
Switzerland	Taiwan	The Netherlands
United Kingdom – British Citizen	United Kingdom – British National (Overseas)	United States

Any country not listed above is considered a **high-risk country**.

Members should provide the following documentation if an applicant is a citizen of or travelling from a high-risk country:

- A flight itinerary with return flight details
- A copy of the applicants CV
- A link to the applicant or group's professional website

How long does it take for the Department to grant a visa?

The Department's website states they process Temporary Activity visas (subclass 408)

Entertainment Activities as follows:

- 50% within 18 days
- 90% within 29 days

If the Applicant has character issues, allow an additional 4 weeks for the processing of the visa application.

If the Applicant requires biometrics, allow an additional 4 weeks for the processing of the visa application.

Documentation

What do I need to supply?

You will need to complete and sign a [Letter of Authorisation](#) - Appendix 2, which will enable LPA to act on your behalf and will authorise LPA to charge your credit card to process the visa application charges.

You will need to gather the following documentation which you will upload onto your application/s in your Immi Account ([please refer to Step-by-step Immi Account guide - Appendix 3](#)):

- A completed [956A form](#) signed by each Applicant
- A [signed Letter of Invitation](#) on your organisation's letterhead
- A completed [NEB statement \(Net Employment Benefit Statement\)](#)
- A contract of employment/performing contract
- A clear colour scan of each Applicant's passport photo page
- A [Union Consult Personnel List](#) that includes each Applicant's name and role
- Travel/insurance documents providing evidence of cover (in English)
- Where relevant, a 1229 parental consent form if accompanying family members are under 18 years of age.
- Where relevant, a return flight itinerary, copy of the applicants CV and a link to the applicant or group's professional website, if the applicant is from a high-risk country.

What do I need to supply if an Applicant has character issues?

If an Applicant has character issues, you will need to provide a [Commonwealth Statutory Declaration Form](#) detailing all previous charges and the outcomes, such as a fine, jail term etc.

- **If the Applicant is from the United States** you will also need to provide an FBI report* and a State Police Clearance**
- **If the Applicant is from the United Kingdom** you will also need to provide a Police Clearance Certificate**

*An FBI report provides details of a person's criminal record and arrest data.

**A State Police Clearance (US)/Police Clearance Certificate (UK) is a background check. The report may include arrest details, convictions and pending criminal proceedings. The Australian equivalent is a National Police History Check.

What do I need to supply if an Applicant has been in Australia for 12 months or more cumulatively in the last 10 years?

The visa Applicant must obtain an [Australian Federal Police Check](#) (AFP). For the purpose of the check, use code 33 'Immigration/Citizenship- for supply to the Department of Home Affairs'. This will ensure you receive the correct certificate titled 'Immigration/Citizenship Australia'.

What do I need to supply if an Applicant has suffered from a disease or health condition?

All visa Applicants must meet the health requirement. To meet the health requirement an Applicant must be free from any disease or health condition. If an Applicant has health issues, they might have to have health examinations to prove they meet the health requirement. The results of the examination will be assessed by a Medical Officer of the Commonwealth (MOC).

A MOC is a registered medical practitioner appointed by the Department. They assess whether Applicants meet the health requirements under the *Migration Regulations*. A MOC may work directly for the Department or be employed by the Migration Medical Services Provider. If an Applicant has a significant medical condition, the MOC will advise the Department whether the condition is likely to:

- threaten public health
- result in significant healthcare and community service costs
- place a demand on healthcare or community services that are in short supply.

Please visit the Department's website by clicking on the following [link](#) for further information.

How long does an Applicant's passport need to be valid for?

As with all travellers to Australia, Applicants must have at least six months validity left on their passport beyond the period of intended stay. Airlines have a discretion to refuse entry to persons with less than six months validity on their passports beyond this period.

Do Applicants need a visa label?

No. The Department digitally links visas to passports; visa labels are not provided. Once a visa is approved, LPA receives a Grant Notification letter that contains a visa grant number. Applicants can use this to access their digital visa record online.

What are the Biometrics Requirements?

Biometrics are personal identifiers such as digital scanned fingerprints and/or digital facial photographs. A letter requesting biometrics may be sent to a visa applicant after their 408-visa application is submitted.

What countries are included in the Biometrics program?

Afghanistan	Albania	Algeria
Bahrain	Bangladesh	Bhutan
Bosnia	Herzegovina	Cambodia
Colombia	Egypt	Ethiopia
Fiji	France	Ghana
Greece	Hong Kong	Iran
Iraq	Jordan	Kazakhstan
Kenya	Kuwait	Lebanon

The appointment must be attended within 14 days of receiving the letter.

A list of office locations and contact details for making an appointment is available [here](#).

Sponsorship

Do I need to become a sponsor to invite an Applicant to participate in an event or production?

You will need to apply to be a sponsor if:

- the Applicant intends to stay in Australia for three months or more
- or the Applicant is in Australia at the time of the application.

To sponsor an Applicant, you will need to apply for sponsorship approval online as a temporary activities sponsor. LPA can help you with a sponsorship application. You will have to apply for sponsorship through your Immi Account before LPA lodges your visa application/s. Please contact LPA for further information regarding sponsorship or visit the [Department's website](#) for further information.

If the Applicant's stay is **less than three months**, you/your organisation must meet the *Support test*. In order to prove that you/your organisation meets the *Support test*, a [Letter of Invitation](#) (if an organisation, written on the organisation's letterhead) and the **Applicant's contract of employment/performing contract must be provided to LPA**. This information will be attached to the visa application and provides evidence to the Department that the Applicant:

- Has been invited to Australia to undertake/participate in entertainment activities in line with their visa conditions and
- Can support themselves and any accompanying family members during this entire period.

Letter of invitation

The [Letter of Invitation](#) must include the following information:

- The visa Applicant's name and the names of accompanying family members

- The duties or role the Applicant will be undertaking at the event/s, activity/ies or information on the work the Applicant will be involved in
- The date/s and location/s of the event/s, activity/ies or work.

Union consultation

Is it a requirement to consult with the relevant union before lodging an application?

Yes. In accordance with the provisions of the *Migration Act and Regulations*, it is a requirement for the relevant union to be consulted except if your organisation is a registered charity or not-for-profit organisation.

Not-for-profit organisations are organisations that provide services to the community. Not-for-profit organisations may make a profit, but all profits must go back into the services the organisation provides. Therefore, profits must not be distributed to members, even if the organisation is wound up or goes into voluntary administration.

However, there have been instances where the Department has nonetheless asked for consultation to take place on behalf of a registered charity/not-for-profit Member. LPA will consult with the relevant union on your behalf if this occurs.

The relevant unions are:

Media, Entertainment & Arts Alliance (MEAA) for actors, creatives, production crew etc.

Musicians Union of Australia for musicians.

Page 2/24 Application context

In this section, you are required to enter preliminary information about the application.

Australian sponsors and supporters

All activities for the Temporary Activity visa (subclass 408) require sponsorship where the visa Applicant intends to stay in Australia for three months or more or is in Australia at the time of the application. Where the visa Applicant's stay is less than 3 months, the individual or organisation in Australia who is responsible for the events and activities must meet the Support test.

To sponsor an Applicant, you will need to apply online for approval as a temporary activities sponsor. LPA can assist you with a sponsorship application. Please contact Eloise Gandolfo, Immigration Services Coordinator at Immigration@liveperformance.com.au or (03) 8614 2000 for further information on sponsorship requirements and applications.

In order to prove that you/your organisation meets the Support test, a Letter of Invitation (if an organisation, written on the organisation's letterhead) and the Applicant's contract of employment/performing contract must be provided to LPA.

This information will be attached to the visa application and provides evidence to the Department that the Applicant:

- Has been invited to Australia to undertake/participate in entertainment activities and
- Can support themselves and any accompanying family members during this entire period.

The [Letter of Invitation](#) must provide the following information:

- the visa Applicant's name and any accompanying family members
- the event/s, activity/ies or work that the Applicant will be involved in
- the duties in relation to the event/s, activity/ies or work the Applicant will be involved in
- the date/s and location/s of the event/s, activity/ies or work.

Applicant's length of stay

An Entertainment visa may be granted for a period of up to **two years**. Extra documentation, such as health checks and police reports may be required for stays of 12 months or more. This will depend on the Applicant's country of origin.

Please contact LPA if an Applicant you are inviting to participate in your production/tour has any issues relating to their character or health. *Please refer to the below headings 'Health declarations' and 'Character declarations' for further information.*

Two additional questions are now in this section, which ask whether the Applicant has been invited to Australia to participate in a short-term activity, and if they will be working in the Entertainment Industry. Tick 'YES' if this is the case.

If applicable, a Visa Application Charge (VAC) waiver concession may apply

Certain charitable or government-supported organisations are exempt from paying the VAC or eligible for a concession. Please contact LPA for more information.

Group processing

If the application is part of a group (more than one applicant for the event/activity), create a group ID to view each group of Applicants as a single unit. It will also enable the Department to process all visas together and will assist LPA in lodging the applications.

Page 3/24 Primary Applicant
