# Vaccination sites – Aged Care and Pfizer Hubs

Who will be the first to be vaccinated under Phase 1a as recommended by the Australian Technical Advisory Group on Immunisation

Frontline healthcare workers

Border and quarantine workers

People living and working in residential aged care and disability care settings

Phase 1a:
Frontline Healthcare Workers

Who

- Clinical staff, medical students and administrative staff in facilities and services such as hospital emergency departments, COVID-19 and respiratory wards, Intensive Care Units and High-dependency Units

- Laboratory staff handling potentially infectious material

- Ambulance and paramedics services

- GP respiratory clinics workers

- COVID-19 testing facility workers

Where

Vaccination Hubs

Requirements

Proof of occupation will be required to demonstrate eligibility

Phase 1a:
# Quarantine and Border Workers

Who

- Staff at entry points to the country (such as sea ports and land borders)

- Staff working in quarantine facilities, including those employed under Commonwealth, state or private agreements

- Commonwealth employees (including Defence personnel) who are identified as having the potential to encounter returning travellers as part of their work

Where

Vaccination Hubs

Requirements

Proof of occupation will be required to demonstrate eligibility

Phase 1a:
Residential Aged Care and
Disability Care Facilities

Who

- Aged care and residential disability care workers
- People with a disability living in residential accommodation
- Residents of aged care facilities

Where

Via in-reach at Residential Aged Care and Disability Care Facilities

Requirements

Eligibility will be confirmed by each Facility

How can I find out more about being vaccinated during Phase 1a?

Border, quarantine and frontline health care workers:

- Your state or territory health department will notify you.

People living and working in residential aged care and disability care settings:

- Your residential aged care facility or disability service provider will provide you with further information about when and where you can be vaccinated.

- You can be vaccinated either at your facility or at a vaccination hub

How can I prove I've been vaccinated?

Australians can already access their immunisation history statement through Medicare for proof of vaccination, both digitally and in hard copy, if required.

Statements can be viewed on an individual's Medicare online account or via the Medicare app.

Your immunisation history statement will record your COVID-19 vaccinations, following each dose.
