Masks encouraged on entry and exit. Performers should distance from audience at 2 metres, except choirs which must remain at 4 metres from the audience.</p> <p>Venues must adhere to the approved COVID Safe Industry Plan (COVID Safe Industry Plan for Live performance, Venues/Theatres) or have their own approved COVID Safe Plan.</p> <p>500 people permitted at indoor events with a COVID Safe Event Checklist. Larger events require a COVID Safe Plan.</p>	<p>How many people can attend?</p> <p>INDOOR</p> <p>One person per 2 square metres. Including staff at venues that hold more than 500 patrons.</p> <p>The maximum capacity for seated entertainment is the greater of 75% of the fixed seating capacity or one person per 2 square metres for venues with fixed seating.</p> <p>Events where a COVID Event Plan is mandatory must adhere to the COVID Event Guidelines.</p> <p>Major sport and entertainment venues:</p> <p>The temporary capacity of the following major stadiums is now 75%:</p> <ul style="list-style-type: none"> • Optus Stadium • HBF Park • HBF Stadium • RAC Arena 	<p>How many people can attend?</p> <p>INDOOR and OUTDOOR</p> <p>- 75% of the venue's normal occupancy for cinemas, live theatre or performance venue with fixed seating - masks are mandatory for the duration of the activity.</p> <p>- 50% of the venue's normal occupancy if masks are not worn.</p> <p>Other than a cinema, live theatre or performance venue with fixed seating:</p> <ul style="list-style-type: none"> • 1 person per 2 square metres; and • 1 person per 2 square metres in any single room or enclosed area within the venue. 	<p>How many people can attend?</p> <p>INDOOR</p> <p>For cinemas, concert venues or theatres, whichever is lower:</p> <ul style="list-style-type: none"> • 75% of seating capacity; or • 250 people per single undivided space. <p>See 'Mass Gatherings' section for information on indoor gatherings of more than 250 people.</p> <p>OUTDOOR</p> <p>Whichever is lower:</p> <ul style="list-style-type: none"> • One person per 2 square metres; or • 1,000 people for the outdoor space. <p>MASS GATHERINGS</p> <p>Gatherings over 250 people indoors and 1,000 people outdoors may operate subject to conditions. The Framework for COVID-19 Safe Events and Activities in</p>	<p>How many people can attend?</p> <p>INDOOR and OUTDOOR</p> <p>- 75% capacity of each individual cinema or theatre provided their COVID Safety Plans have been endorsed by ACT Health (otherwise 65% capacity) - 75% capacity for large indoor performance venues (with forward-facing and tiered seating), such as theatres and arenas, provided the events are ticketed and seated, and a COVID Safety Plan is in place for each event. The one person per two square metre rule must be applied to any other useable space within the venue that does not form a part of the individual theatre.</p> <p>Enclosed outdoor venues - 100% capacity for enclosed outdoor venues with permanent tiered seating and grandstands provided events are ticketed and seated and a COVID Safe Plan is in place for each event (this includes GIO Stadium and Manuka Oval). Density for any unfixed seating areas should be calculated using the one person per two</p>	<p>How many people can attend?</p> <p>INDOOR and OUTDOOR</p> <p>- A minimum distance of 1.5 metres between individuals who are not family contacts or part of the same household.</p> <p>Physical distancing and hygiene principles should be considered and implemented.</p>

<p>be assigned to a specific seat or to a seating area.</p> <p><u>CONTROLLED OUTDOOR PUBLIC GATHERINGS</u></p> <p>Greater Sydney</p> <p>Assigned seats: The lesser of: - 2000 patrons; or - one person per 2 square metres.</p> <p>Assigned seating area: The lesser of: - 500 patrons; or - one person per 2 square metres.</p> <p>Outside Greater Sydney</p> <p>Assigned seats: The lesser of: - 5000 patrons; or - one person per 2 square metres.</p> <p>Assigned seating area: The lesser of: - 3000 patrons; or - one person per 2 square metres.</p> <p>The controlled outdoor public gathering must not last longer than 5 hours.</p>	<p>space. - one person per 2 square metres when using electronic record keeping (otherwise one person per 4 square metres applies).</p> <p>Masks must be carried at all times and are mandatory in high-risk settings.</p> <p><u>OUTDOOR</u></p> <p>Over 1000 patrons per space must operate under the PEF.</p> <p>Seated venues:</p> <p>- up to 75% of seated capacity up to a maximum cap of 1000 patrons per space if events are ticketed. - one person per 2 square metres in foyers, bars, bathrooms, etc. when using electronic record keeping. - one person per 4 square metres in venues not using electronic record keeping.</p> <p>Non-seated venues:</p> <p>- one person per 2 square metres when using electronic record keeping (otherwise 1 person per 4 square metres applies). There are no group limits.</p>	<p><u>OUTDOOR</u></p> <p>100% seated capacity (with a COVID Safe Plan). Masks encouraged on entry and exit.</p> <p>1500 people permitted at outdoor events with a COVID Safe Event Checklist. Larger events require a COVID Safe Plan.</p>			<p>Tasmania outlines the requirements.</p> <p>Events are classed as Level 1, 2 or 3, and different controls apply depending on the assigned level. Level 2 and 3 events require approval.</p> <p>From 1 February 2021, theatres and cinemas may apply to operate above 250 people, up to 75% capacity.</p> <p>Further information about the Framework or applying for an increase in capacity can be found here.</p>	<p>square metre rule, up to 1,000 people.</p> <p>From Saturday 6 March 2021, it is mandatory for all restricted business activities to use the Check in CBR app to collect contact details.</p> <p>Exemptions may be granted for events and gatherings for up to 10,000 people on application through the COVID Safe Event Protocol. Any gatherings over 1000 require an exemption.</p> <p>Useable space is the space that people can freely move around in, not including:</p> <ul style="list-style-type: none"> • stages & similar areas; • restrooms, changerooms & similar areas; • areas occupied by fixtures, fittings, and displays; and • staff only areas and areas that are closed off or not being used. 	
--	--	--	--	--	---	---	--

Indoor spaces at outdoor venues can open subject to the restrictions relevant to the space (e.g. hospitality or retail).

PUBLIC EVENTS

Public Events may occur in accordance with the Public Events Framework (PEF). Organisers may apply for a Public Event to be considered under the PEF.

- o **Tier 1:** highly complex and involving more than 5,000 attendees
- submit a COVIDSafe Event Plan to the Victorian Government for public health approval
- submit a COVIDSafe Event Plan at least 8-10 weeks prior to the event
- o **Tier 2:** moderately complex involving 1000-5,000 attendees
- submit a COVIDSafe Event Plan to the Victorian Government for public health approval
- submit a COVIDSafe Event Plan at least 4-6 weeks prior to the event
- o **Tier 3:** low complexity and involving 1000 attendees or less
- submit a COVIDSafe Event Checklist to register the event at

	least 1 week prior to the event. Find out more here .
