<u>How many people can attend?</u> Face masks are mandatory in all public settings for people in NSW over the age of 12. No person at a music festival must sing or dance on the premises unless they are a performer at the festival or rehearsing to perform at the festival. Proof of full vaccination is only required at indoor music festivals with over 1,000 people. <u>INDOOR</u> There is no person limit subject to 100% of fixed seated capacity. <u>OUTDOOR</u>	<u>How many people can attend?</u> Face masks are mandatory: • in all public indoor settings for people aged 8 years and over • at all major events with over 30,000 people (masks can be removed when patrons are seated outdoors). 1 person per 2 square metres in indoor entertainment venues (except for indoor cinemas and theatres where patrons are seated and wearing a face mask). There is a strong recommendation that people visiting entertainment venues who can access Rapid	<u>How many people can attend?</u> Face masks are mandatory in all public settings for people in Queensland over the age of 12. There are no capacity limits or density limits on indoor and outdoor entertainment venues and events where all people attending (staff and patrons) are fully vaccinated. Unvaccinated people are unable to attend these venues and events unless they have proof of a medical exemption.	<u>How many people can attend?</u> <u>INDOOR and OUTDOOR</u> There are no capacity limits for venues and events. Proof of vaccination is required to enter: • Music festivals and major events (above 500 people) • Nightclubs • Pubs, taverns, hotels (hospitality) and Special Facility Licences with a capacity of more than 500 people or these specific licensed venues that trade after midnight • Events with an Occasional Liquor Licence • The Crown gaming floor.	<u>How many people can attend?</u> Face masks are required in shared indoor public places for people in South Australia over the age of 12. Some venues (Adelaide Festival Centre, Adelaide Entertainment Centre, Adelaide Oval, Adelaide Convention Centre, and Hindmarsh Stadium) are making it a condition of entry that all persons aged 16+, including staff, are fully vaccinated. Proof of vaccination will be required in order to gain entry. Any person with an official medical exemption will need to provide proof of a negative COVID test result for the 72-hour period prior to seeking entry and full exemption details. <u>INDOOR and OUTDOOR</u>	<u>How many people can attend?</u> A mask mandate applies in all public indoor settings for people in Tasmania over the age of 12. The mandatory vaccination Direction does <u>not</u> apply if an event is at an entertainment premises including a stadium, arena, theatre or cinema. However, vaccination requirements may be a condition of approval under the Events Framework . <u>INDOOR</u> • 100% of seating capacity (NB: The updated Framework for COVID-19 Safe Events and Activities applies to venues and	<u>How many people can attend?</u> A mask mandate applies in all public indoor settings for people in the ACT over the age of 12. Patrons must be seated while eating and drinking. Dancefloors are not permitted. <u>INDOOR</u> • 100% capacity of fixed seating capacity for each space in indoor theatre-style venues with fixed and tiered seating • Venues with unfixed seating must apply the 1 person per 2 square metre rule • Density quotients do not apply for unfixed seating areas when performances are being held	<u>How many people can attend?</u> A mask mandate applies in all public indoor settings for people in the Northern Territory over the age of 12. All people must show proof that they are fully vaccinated to enter: • Ticketed events for over 500 people in urban centres and over 100 in non-urban centres • Cinemas • Pubs and clubs • Casinos. <u>INDOOR and OUTDOOR</u> There are no capacity restrictions. Events and public gatherings can be held in the Northern Territory subject to physical distancing and

<p>There is no person limit subject to 100% of fixed seated capacity.</p> <p>Music festivals have a 20,000-person limit.</p>	<p>Antigen Tests (RAT) use them before attending.</p> <p>All patrons and workers must be fully vaccinated.</p> <p>Patrons who don't meet the vaccination requirements <u>cannot</u> enter these venues.</p> <p><u>INDOOR</u></p> <ul style="list-style-type: none"> All indoor events with less than 30,000 fully vaccinated attendees can proceed with no special approval. Indoor venues – including stadiums that have a capacity of 30,000 or more – will need to get a one-off approval of their COVIDSafe Plan from the Victorian Government. Indoor dancefloors in indoor hospitality and entertainment venues must close from 11:59pm (AEDT) 12 January 2021. 		<p>Measures remain in place to keep these events safe:</p> <ul style="list-style-type: none"> Businesses require a COVID Safety Plan and must maintain a contact register. Events with more than 500 patrons are required to complete a COVID Event Checklist or Plan. 	<ul style="list-style-type: none"> 3 people per 4 square metres for seated activities 1 person per 2 square metres for non-seated activities. <p>Defined public activities under 1,000 people require a COVID Safe Plan.</p> <p>A gathering of more than 1,000 people are permitted if an approved COVID Management Plan is in place.</p>	<p>events with 251 or more people indoors)</p> <ul style="list-style-type: none"> In unseated areas of a venue, such as the foyer, food and drink areas and bathrooms, one person per 2 square metres applies Operators of stadiums and arenas can apply to increase attendance numbers to the number of seats provided. Where seating is not provided, the maximum number of people permitted is 1 person per 2 square metres of available space. <p>See 'COVID-19 Safe Events and Activities Framework' section below for information on indoor gatherings of more than 250 people.</p> <p><u>OUTDOOR</u></p> <ul style="list-style-type: none"> 100% of seating capacity (NB: The updated Framework for COVID-19 Safe Events and Activities applies to venues and events with 501 or more people outdoors) 	<ul style="list-style-type: none"> Events under 1,000 people must use Check in CBR. Events over 1000 people must be ticketed or pre-registered Exemptions can be sought by venues to host live performance events at up to three persons per four square metres (75%) of usable indoor space, subject to the event being ticketed and seated wherever practicable. <p>People are strongly encouraged to wear face masks at public indoor gatherings. Indoor FOH staff are also required to wear a face mask when working.</p> <p><u>OUTDOOR</u></p> <ul style="list-style-type: none"> Outdoor entertainment and event venues can operate at 100% fixed seating; unfixed seating venues and events apply 1 per 2sqm for indoor spaces 	<p>hygiene principles being applied to protect the community from any spread of COVID-19.</p> <p>Events with 500 to 1000 people in attendance inside a major population centre do require completion of a checklist or safety plan, COVID-19 Small Event Checklist. The organiser of the event must appoint a COVID-19 Safety Supervisor.</p> <p>Events with 1000 or more people in attendance located inside a major population centre must submit a COVID-19 Event Safety Plan and receive formal approval from the Chief Health Officer prior to the event proceeding. The organiser of the event must appoint a COVID-19 Safety Supervisor.</p>
