Coronavirus (COVID-19) - Member Advice Update #330

- **Victoria: Changes to COVID-19 isolation requirements**

VICTORIA: CHANGES TO COVID-19 ISOLATION REQUIREMENTS

On 7 October 2022, the Victorian Premier, Daniel Andrews, [announced](#) that Victoria will make changes to COVID-19 requirements to align with decisions agreed to by all states and territories at National Cabinet.

From 11.59pm (AEDT) on Wednesday, 12 October 2022, the pandemic declaration will end – and Victorians will no longer be required to isolate after testing positive to COVID-19, with isolation for positive cases now strongly recommended.

Targeted financial support will continue for eligible healthcare workers, including in Aboriginal, hospital, aged care and disability care work, including those providing in-home care. This financial support will continue supporting these workers to isolate if they test positive to COVID-19, protecting their patients.
