				for them to be sent home to receive medical attention.					
				Staff don't have contact with delivery drivers, all paperwork is completed electronically.	New automatic soap dispenser ordered from ebay.				
				Soap and water for hand washing and paper towel or air dryer for hand drying is available in bathrooms, break rooms, behind the deli counter and at back of shop with instructional signs on hand washing.					
				Alcohol based hand sanitiser is also available in all staff areas including bathrooms, break rooms, the loading dock and delivery vehicles and signs are displayed on appropriate use					
				Where staff meetings are required, they are held over the phone and information sent by email where possible.					
				Break times are staggered to minimise the number of staff using break room at one time.					
				Smith's Small Goods delivery van cleaned between swapping delivery drivers.					
Fatigue from working longer	Injury to staff or others form fatigue related accidents or illness resulting from fatigue.	High, demand has increased significantly, and most workers did overtime last week.	High, particularly to staff doing deliveries or driving to and from work.	Ensure maximum shift lengths and maximum starts per week are observed to prevent fatigue	Update website to streamline service and reduce demand on staff. Hire temporary staff to meet demand. ours to meet igh demand				Ensure breaks are provided.					
Tilgir demand				Staff are rostered to ensure that they regularly get two complete days off work if they are working long hours					
				Staff numbers reflect work required to deal with customer flow and stock replenishment.					
				Staff reporting feeling tired are sent home and driven or offered a taxi if necessary.					
Customer aggression	Physical or psychological injury to staff.	High, customers concerned they may not get the goods they require have verbally abused staff twice in the last week.	High, staff are already reporting instances of abuse and violent behaviour.	There is always a manager rostered on to assist but they often get caught up with other tasks.	Messages posted on the business website about shortages and when new stock is arriving.	Sally Smith	20/04/2020	20/04/2020	Review if any further occurrence
				There is a counter to physically separate staff, but they often need to leave it to restock shelves.					reported or on 04/05/2020
				Managers regularly contact delivery drivers and are on call to address any customer concerns. Drivers can report aggressive customers and they may not be able to access the service in future. Processes are in place to ban abusive and violent customers from the store or call police.	Where goods aren't available customers can pre-order from the next delivery.				
					Manager prioritises assisting staff	Manager prioritises assisting staff with upset customers and staff			
					able to remove themselves if they				
				Staff have access to psychological support through an EAP.	Shelves restocked while store closed.
