

MEMORIAL for Sue Nattrass AO

Arts Centre Melbourne invites you and a guest to the Memorial of Sue Nattrass AO.

Sue was the former General Manager of Arts Centre Melbourne (known then as the Victorian Arts Centre) and has been a long-time friend of not only our family, but the broader performing arts sector she shaped so indelibly.

She started her career with us as an accomplished technician and stage manager and later flourished in senior leadership roles in our formative years. Sue was a pioneer, being one of the first women appointed to senior roles, including as the first female Artistic Director of the Melbourne International Festival.

Sue was tenacious, determined, kind and generous. This memorial will be an opportunity to honour Sue's memory and her remarkable achievements.
