#### **Overview of smoking legislation in Australia**

Jurisdiction	Overview of legislation
NSW	<ul> <li>Applicable legislation: Smoke-free Environment Act 2000</li> <li>Smoking and the use of e-cigarettes (including non-nicotine) is prohibited in all enclosed public places and other smoke-free areas.</li> <li>A list of smoke-free areas can be found at: Smoke-free laws - Tobacco and smoking (nsw.gov.au)</li> <li>However, Section 7(2) of the Act provides an exemption that allows a performer to smoke in a theatre or other performance space if smoking is deemed 'a necessary part of the performance'. This encompasses the use of e-cigarettes.</li> <li>A theatre can create a policy to ban smoking or e-cigarette use on their stage irrespective of this exemption.</li> <li>Further information: E-cigarettes - Tobacco and smoking (nsw.gov.au)</li> </ul>
	Smoking is permitted if it is a <u>necessary</u> part of the performance.
VIC	<ul> <li>Applicable legislation: <u>Tobacco Act 1987</u></li> <li>Smoking and the use of e-cigarettes (including non-nicotine) is prohibited in all indoor public places and other smoke-free areas.</li> <li>The full list of smoke-free areas can be found at: <u>Smoke and vape-free areas (health.vic.gov.au)</u></li> <li>There are no exemptions for smoking as part of a performance.</li> <li>Further information:         <ul> <li><u>e-cigarette-reforms-factsheet.pdf (health.vic.gov.au)</u></li> </ul> </li> <li>Tobacco reforms (health.vic.gov.au)</li> <li>Smoking is <u>not permitted</u> in any indoor public place or smoke-free area.</li> </ul>
QLD	<ul> <li>Applicable legislation: <i>Tobacco and Other Smoking Products Act 1998.</i></li> <li>Smoking and the use of e-cigarettes (including non-nicotine) is prohibited in all indoor public places and other smoke-free areas.</li> <li>The full list of smoke-free areas can be found at: <u>Penalties, fines and enforcement  </u> <u>Queensland Health</u></li> <li>However, <u>Section 112</u> of the Act provides an exemption that allows a performer to smoke in a theatre or other performance space if smoking is part of the performance.</li> <li>Further information:         <ul> <li><u>Electronic cigarettes   Queensland Health</u></li> <li><u>Smoking laws in Queensland   Queensland Health</u></li> </ul> </li> <li>Smoking is permitted if it is a part of the performance.</li> </ul>

Jurisdiction	Overview of legislation
SA	Applicable legislation: <u>Tobacco and E-Cigarette Products Act 1997</u>
	<ul> <li>Smoking and the use of e-cigarettes (including non-nicotine) is prohibited in all enclosed public places and other smoke-free areas.</li> </ul>
	<ul> <li>The full list of smoke-free areas can be found at: <u>Smoking, the rules and regulations</u> <u>  SA Health</u></li> </ul>
	<ul> <li>Smoking (including e-cigarettes and herbal cigarettes) during an artistic performance in an enclosed space is prohibited unless an exemption is granted by the Minister.</li> <li>Exemptions are only granted where smoking is deemed absolutely necessary to the</li> </ul>
	<ul> <li>performance and all other options have been exhausted.</li> <li>Applications for an exemption must be submitted to Drug and Alcohol Services</li> </ul>
	South Australia at least 6 weeks prior to the performance.
	<ul> <li>E: <u>HealthDASSATobaccoControlUnit@sa.gov.au</u></li> </ul>
	Application form/process: <u>Tobacco laws for artistic performances   SA Health</u>
	Smoking is not permitted in any enclosed public place or smoke-free area unless the Minister grants an exception.
WA	Applicable legislation: <u>Tobacco Products Control Act 2006</u> and <u>Tobacco Products</u> Control Regulations 2006
	<ul> <li>The Act regulates the use of tobacco products. This includes a cigarette or cigar including tobacco, or a smoking product that contains an herb or other plant matter - whether or not the product also contains tobacco.</li> </ul>
	<ul> <li>It is illegal to smoke tobacco products in all enclosed public spaces and other smoke- free areas. A list of smoke-free areas can be found at: <u>Laws on smoking</u> (health.wa.gov.au)</li> </ul>
	• However, <u>Regulation 10</u> provides an exemption that allows a performer to smoke in an enclosed public space for the purpose of a performance if occupiers gave consent before the performance commenced.
	• Currently, it is legal to use e-cigarettes in smoke-free areas if they do not contain tobacco, herbs or other plant matter.
	<ul> <li>However, owners/managers may choose to implement a policy applying to their premises which prohibits the use of e-cigarettes wherever smoking is prohibited.</li> </ul>
	• Further information: <u>Electronic cigarettes in Western Australia (health.wa.gov.au)</u>
	Smoking is not permitted in any enclosed public place or smoke-free area unless the occupiers consent.
TAS	Applicable legislation: <u>Public Health Act 1997</u>
	• The following products cannot be used in enclosed public spaces and other smoke- free areas: tobacco products, e-cigarettes, personal vaporisers, herbal cigarettes and non-tobacco cigarettes.
	The full list of smoke-free areas can be found at: <u>Smoke free areas in Tasmania</u> <u>Tasmanian Department of Health</u>
	• There are <b>no exemptions</b> for smoking as part of a performance.
	• Further information: <u>E-cigarettes and vaping   Tasmanian Department of Health</u>
	Smoking is not permitted in any indoor public place or smoke-free area.

Jurisdiction	Overview of legislation
ACT	Applicable legislation: <u>Smoke-Free Public Places Act 2003</u>
	<ul> <li>Smoking and the use of e-cigarettes (including non-nicotine) is prohibited in all enclosed public places and other smoke-free areas.</li> </ul>
	The full list of smoke-free areas can be found at: <u>Places you can't smoke or vape  </u> <u>Health (act.gov.au)</u>
	• There are <b>no exemptions</b> for smoking as part of a performance. Smoking includes directly, puffing, drawing or inhaling smoke and holding or having control over any smoking product while it is ignited or vape while it is activated.
	Further information: Smoking and vaping   Health (act.gov.au)
	Smoking is not permitted in any indoor public place or smoke-free area.
NT	Applicable legislation: <u>Tobacco Control Act 2002</u>
	• The legislation applies to e-cigarettes as if they were tobacco products.
	<ul> <li>Smoking and the use of e-cigarettes (including non-nicotine) is prohibited in all enclosed public areas and other smoke-free areas.</li> </ul>
	• The full list of smoke-free areas can be found in <u>Part 2</u> of the Act and at: <u>Smoking</u> <u>laws and businesses   NT.GOV.AU</u>
	• The NT Health Mental Health, Alcohol and Other Drugs) confirmed " <b>it is not an</b> offence for a performer taking part in a bona fide theatrical performance to 'smoke' so long as they do not continue 'smoking' or longer than is necessary for the purposes of the performance."
	Further information: <u>Tobacco   NT Health</u>
	Smoking is permitted if, and only for as long as, it is a <u>necessary</u> part of the performance.
