Reminder: Guidelines for engaging International Performers for Major Commercial Musical Productions

In late 2018, LPA in consultation with our Major Commercial Musical Producer Members and the Media Entertainment and Arts Alliance (MEAA) developed [Consultation Guidelines for engaging International Performers](#) (consultation Guidelines).

The MEAA accepted the Consultation Guidelines as a positive step for the Live Performance industry.

What is a Major Commercial Musical Production?

A Major Commercial Musical Production (MCMP) is a production of musical theater which takes place in a venue with a seating capacity of more than 700 seats. The MCMP must be produced by at least one named producing party that is a commercial producer.

What does this mean for members?

MCMP Members should follow the [Consultation Guidelines](#) if they intend to engage any international performers.

Other Members who are contemplating the engagement of international performers can contact LPA as below.
